The Saved Seed

Book order form

Order Deadline: October 31, 2017

The Saved Seed is an early reader new book from National Garden Clubs, Inc. written to educate elementary children (K through 4th grade) about the life cycle of seed plants. It is written and beautifully illustrated by the same two women who did *The Frightened Frog* book which DFGC promoted in 2015-2016.

The Saved Seed is an early reader new book from National Garden Clubs, Inc. written to educate elementary children (K through 4th grade) about the life cycle of seed plants. It is written and beautifully illustrated by the same two women who did *The Frightened Frog* book which DFGC promoted in 2015-16.

The Saved Seed follows the journey of a pumpkin seed from a Halloween pumpkin through the year becoming a seedling, a vine, and eventually a new pumpkin. Children learn how to care for seeds and how to become successful gardeners.

This book can be distributed to schools, libraries, youth groups, schools, grand kids, and others. You'll even want your own copy. Place your orders **before October 31, 2017**.
